Here's a

breakdown of what you can typically expect to find:

Core Instructional Materials

The bulk of the packet comprises the instructional materials for the specific firearm discipline. For pistol instructors, this includes:

1. **NRA Basic Pistol Shooting Course (Lesson Plan and Student Materials):** This is the cornerstone of the training. visual aids that instructors can use during their courses. These are critical for engaging students and clarifying complex concepts.

4. **Firearm Safety Posters and Handouts:** These are crucial for reinforcing key safety messages in the classroom and on the range. They often highlight specific dangers, safe storage practices, and the importance of always treating a firearm as if it were loaded.

Assessment and Evaluation Tools

To ensure that candidates are not only knowledgeable but also capable of effectively teaching, the packet includes assessment tools:
