Activities:

1. **Warm-up (5-10 minutes):** Begin with a quick "picture association" activity.     1. Introduce new vocabulary from the chapter using a variety of methods: flashcards (physical or digital), projected images with corresponding Spanish words, and short, engaging video clips showcasing community activities.
    2. Pronunciation practice is key! Have students repeat words chorally and individually.
    3. Use cognates and context clues to help students infer meaning. For example, "organización" is similar to "organization."
