Learn How to Crochet a Granny Square: A Comprehensive Guide

** Crochet granny squares are a fundamental building block in many crochet projects. Their distinctive pattern and versatility make them ideal for blankets, afghans, coasters, and more. This comprehensive guide will walk you through the process of creating a granny square, from basic stitches to advanced techniques, ensuring you achieve a beautiful and consistent result. Understanding the Granny Square Foundation: **The granny square is built using a series of single crochet (sc) stitches and increases. The repetitive pattern creates the characteristic "corners" and "rounds" that define the square. Understanding this foundation is crucial for success.** Essential Crochet Supplies: Before starting, gather your essential supplies: • Yarn: *Choose a yarn suitable for your desired project. Acrylic yarn is often preferred for its softness and affordability. Consider weight, color, and texture when selecting your yarn. Example: Worsted weight yarn.* • Crochet *Select a crochet*

hook size that matches your yarn weight. A size H/8 (5mm) hook is commonly used for worsted weight yarn. • Scissors: Essential for cutting yarn. • Measuring Tape : *Useful for ensuring accurate sizes for projects.* • Stitch Markers : Help keep track of rounds and increases. Step-by-Step Instructions for Creating a Granny Square: 1. Starting a Round: • Create a magic ring: Using a crochet hook and yarn, create a magic ring. This gives you a solid foundation for your first round. • Alternative: Chain 4, slip stitch into the first chain to form a ring. 2. Round 1 (the foundation): • Ch 3 (counts as a dc): *This stitch begins each round.* • 3 dc into the ring: Insert your hook into the center of the ring, yarn over, and pull through the loop, repeat twice, totaling 3 dc. • 3 sc into the next dc space: Insert your hook into the next space and yarn over, and pull through, repeat twice, totaling 3 sc. • Repeat: 3 dc in each space around the ring; then 3 sc in each space around the ring. You should end up with 12 dc and 12 sc. 3. Round 2: • Ch 3 (counts as a dc): • 3 dc in the next ch-3 space: • Sc in the next sc space: • 2 sc in the next sc space: *Repeat these instructions twice more in each space. You now have 12 dc, and 12 (3+2+2+2+3) sc.* 4. Rounds 3 and beyond (increasing): • Follow the pattern of Round 2: Alternating 3 dc in the next chain space and the increasing technique (2 sc in one space), continue your increase for each round. • The key is to create the corner spaces and increase the length of the side. Best Practices for a Consistent Granny Square: • Tension: Maintain a

consistent tension throughout your crochet work. This will ensure the square remains uniform. • Tight Stitches: *Avoid making stitches too tight as this can distort the square's shape.* • Yarn Over: **Always yarn over correctly before pulling through loops to maintain the correct stitch.** • Even Rounds: **Ensure each round is completed evenly for a balanced square.** • Stitch Counting: **Regularly check the number of stitches in each round for accuracy.** Troubleshooting Common Pitfalls: • Loose Stitches: *Use your fingers to carefully tighten loose stitches for a cleaner look.* • Tension Issues: *Adjust the tension of your yarn to ensure consistency in your crochet.* • Uneven Corners: Ensure you create the necessary increase in each corner stitch. • Inconsistent Stitch Counts: Regularly check your stitch counts throughout your work to correct any irregularities. • Hole in Corners: **Use double crochet into the same chain spaces.** Adding Variations to Your Granny Square: • Color Changes: **Insert color changes using the "yarn over" method.** • Different Stitch Types: **Experiment with different crochet stitches in each round.** • Border Designs: *Incorporate borders such as shell stitches, double crochet stitches, or other patterns.* Advanced Techniques: • Joining Granny Squares: **Learn different techniques to join the granny squares for larger projects, such as the slip stitch method.** Project Ideas Using Granny Squares: • Blankets and Afghans: Create cozy blankets and afghans with a variety of granny squares in different

colors and designs. • Coasters and Placemats: **These are perfect for displaying your granny squares.** • Wall hangings: Experiment with creating wall hangings and other decorative pieces using granny squares. Conclusion: Learning to crochet a granny square opens a world of creative possibilities. With practice and consistency, you can create beautiful and unique crochet projects. This guide provides a solid foundation, and with a little experimentation, you'll soon be mastering the art of creating impressive granny squares! Frequently Asked Questions (FAQs): 1. How do I join granny squares together? **Joining granny squares together involves using slip stitches or other joining techniques to secure each square. A tutorial on joining squares can be found on many crochet video platforms. For joining squares, the slip stitch method is usually preferred.** 2. What yarn weight is best for granny squares? Worsted weight yarn is commonly used for granny squares due to its manageable thickness. However, you can adjust the yarn weight based on your project's size and desired look. 3. What are the basic crochet stitches used in a granny square? *The basic stitches used in a granny square include single crochet, double crochet, and chain stitches.* 4. How do I fix a mistake in my granny square? **If you make a mistake, carefully unravel the affected portion and then re-crochet the section.** 5. What is the difference between a granny square and a patchwork square?** A granny

square is a specific crocheted motif featuring a repeating pattern, while a patchwork square is a square constructed of various fabrics or materials pieced together.

Welcome, fellow yarn enthusiasts and curious crafters! If you've ever admired those delightfully colorful, geometric creations that pop up in blankets, bags, and even adorable amigurumi, you're likely thinking about the humble, yet mighty, granny square. Learning how to crochet a granny square is one of the most rewarding first steps into the world of crochet, and it's surprisingly simple! It's a foundational skill that unlocks a universe of creative possibilities. So, grab your hook and some yarn, and let's dive into the wonderful process of crocheting your very first granny square.

Why Learn to Crochet a Granny Square?

Before we even pick up our hooks, let's talk about why the granny square is such a beloved crochet motif. It's more than just a pretty pattern; it's a gateway. Here's why it's the perfect place to start:

The Simplicity Factor

The beauty of the granny square lies in its repetition. It's built using just a few basic crochet stitches: chains (ch),

slip stitches (sl st), and double crochets (dc). Once you master these, you're practically a granny square pro! This makes it incredibly accessible for beginners, offering a tangible sense of accomplishment with each completed square.

Endless Versatility

This is where the magic truly happens. Granny squares aren't just for blankets! Think of the possibilities:

1. **Cozy Blankets & Throws:** The classic application, perfect for cuddling up.
2. **Stylish Bags & Purses:** Create unique, handmade accessories.
3. **Apparel:** From cardigans to skirts, granny squares can add a bohemian flair.
4. **Home Decor:** Cushions, placemats, coasters – the list goes on!
5. **Amigurumi Accents:** Add charming granny square details to your stuffed toys.
6. **Scrap Yarn Projects:** It's the perfect way to use up those leftover bits of yarn.

A Rewarding Crochet Journey

The repetitive nature of the granny square stitch is almost meditative. As you crochet, you'll find your rhythm, and the square grows steadily. Seeing a pile of colorful

squares build up is incredibly satisfying, and the idea of joining them together into a larger project is a powerful motivator.

Getting Started: Your Granny Square Toolkit

Let's get our supplies ready! You don't need much to begin your granny square adventure. Here's what you'll need:

Yarn Choices

For learning, it's best to choose a smooth, medium-weight yarn. This type of yarn is easy to handle and shows off the stitches clearly. Acrylic yarn is a fantastic and affordable option for beginners. You can use one color for a classic look, or multiple colors for a vibrant, patchwork effect. Many people love using variegated yarns for a built-in color change!

The Right Crochet Hook

The size of your crochet hook will depend on the yarn you choose. The yarn label usually recommends a hook size. For a medium-weight yarn, a 5mm (H-8) or 5.5mm (I-9) hook is a great starting point. A comfortable hook is key to avoiding hand strain.

Essential Notions

You'll also want a pair of scissors for snipping yarn and a tapestry needle for weaving in your ends. A stitch marker can be helpful, especially when you're first learning, to mark the beginning of rounds.

Understanding the Basic Crochet Stitches

Before we can crochet, let's quickly review the fundamental stitches you'll encounter in a granny square pattern:

The Slip Knot

This is how you'll attach your yarn to your hook. There are several methods, but a common one involves making a loop, then pulling another loop through it.

The Chain Stitch (ch)

This is the foundation of most crochet projects. You'll yarn over (wrap the yarn over your hook) and pull it through the loop already on your hook. This creates a series of "V" shapes.

The Slip Stitch (sl st)

This stitch is often used to join rounds or create neat edges. You insert your hook into the designated stitch, yarn over, and pull the yarn through both the stitch and the loop on your hook in one motion.

The Double Crochet (dc)

This is the workhorse of the granny square! To make a double crochet:

1. Yarn over.
2. Insert your hook into the next stitch or space.
3. Yarn over and pull up a loop (you'll have three loops on your hook).
4. Yarn over and pull through the first two loops on your hook (you'll have two loops left).
5. Yarn over and pull through the remaining two loops on your hook.

Let's Crochet Your First Granny Square!

Now for the fun part! We're going to walk through creating a classic granny square. We'll start with a Magic Ring (also known as a Magic Circle) for a seamless center, but I'll also mention the chain-3-ring alternative.

Step 1: Starting the Center (Magic Ring Method)

1. Create a loop with your yarn, leaving a tail of about 6 inches.
2. Insert your hook into the loop from front to back.
3. Grab the working yarn (the yarn attached to the ball) with your hook and pull it through the loop.
4. Chain 1 to secure the ring. This does not count as a stitch.

Alternative: If a Magic Ring feels tricky at first, you can chain 4, then slip stitch into the first chain to form a ring.

Step 2: The First Round - Building the Corners

This round establishes the characteristic corners of the granny square.

1. Make a "cluster" of 3 double crochets into the ring. To do this:
    1. Double crochet into the ring.
    2. Double crochet into the ring again.
    3. Double crochet into the ring a third time.
2. Chain 3. This creates your first corner.
3. Make another cluster of 3 double crochets into the ring.
4. Chain 3.

5. Make another cluster of 3 double crochets into the ring.
6. Chain 3.
7. Make a final cluster of 3 double crochets into the ring.
8. Chain 3.
9. To close the round, slip stitch into the very first double crochet you made. Pull the yarn tail of the Magic Ring firmly to close the center hole.

You should now have four clusters of 3 double crochets separated by chain-3 spaces. These chain-3 spaces are where you'll work your next round.

Step 3: The Second Round - Expanding the Square

In this round, we'll work into the spaces created in the previous round and start forming new corners.

1. Find the first chain-3 space from the previous round.
2. Slip stitch into that space to join your yarn.
3. Chain 3 (this counts as your first double crochet of the round).
4. Make 2 more double crochets into the *same* chain-3 space. This completes your first "cluster" for this round.
5. Chain 3. This creates a corner.
6. Now, we'll create the *next* corner in the *next* chain-3 space. Make a cluster of 3 double crochets (3 dc) into that next chain-3 space.

7. Chain 3.
8. Repeat steps 5-6 for the remaining two chain-3 spaces.
9. After making your last corner cluster and chain-3, slip stitch into the top of the starting chain-3 from this round to join.

You've just completed your second round! You'll see you have more clusters and larger corner spaces.

Step 4: Subsequent Rounds - Repeating the Pattern

The beauty of the granny square is that you repeat the same process for every subsequent round. Here's how it works:

1. Find the first chain-3 corner space.
2. Slip stitch into the space.
3. Chain 3 (counts as your first dc).
4. Make 2 more double crochets into the *same* corner space (this completes your corner cluster).
5. Chain 3 (this is your corner chain).
6. Now, look for the next space. If it's a side space (between clusters from the previous round), you'll typically make 3 double crochets into it. If it's another corner space, you'll make your corner cluster (3 dc, ch 3, 3 dc) within that space. For a classic granny square, you'll work into the chain-3 spaces. So, you'll make 3 dc

into the next chain-3 space.
7. Chain 3.
8. Repeat steps 5-7, working into each chain-3 space. For every corner space, you'll make (3 dc, ch 3, 3 dc).
9. After you've worked into the last chain-3 space and made your final corner, slip stitch into the top of the starting chain-3 from this round to join.

Continue repeating this process until your granny square reaches your desired size. The number of clusters on each side will increase with each round.

Step 5: Finishing Off

Once your square is the size you want it:

1. After completing your last round and joining with a slip stitch, cut your yarn, leaving a tail of about 6 inches.
2. Pull the yarn tail completely through the loop on your hook.
3. Use your tapestry needle to weave in the yarn tail securely through the back of your stitches.
4. If you used multiple colors, you'll have a yarn tail from each color change to weave in.

Tips and Tricks for Granny Square

Success

As you get more comfortable, here are some tips to elevate your granny square game:

Color Changes

Changing colors is straightforward. Before you complete the last pull-through of the final stitch of a round (when you have two loops on your hook), drop your current yarn and pick up your new color. Yarn over with the new color and pull through the remaining loops on your hook. Continue your round with the new color. Remember to weave in those ends!

Weaving in Ends

This is a crucial step for a neat finish. Weave your yarn tails back and forth through the stitches on the wrong side of your work. Don't be afraid to go back and forth a few times to secure them.

Consistent Tension

Try to keep your stitches consistent. If your stitches are too tight, your square might become stiff. If they're too loose, it might look floppy. Practice will help you find your sweet spot.

Blocking Your Squares

Once you have a collection of granny squares, blocking can make a world of difference. This involves wetting or steaming your squares and pinning them to shape while they dry. It helps to even out stitches and ensures your squares are uniform in size, which is essential for joining.

Joining Your Granny Squares

There are several ways to join your finished squares:

1. **Single Crochet (sc) Seam:** Holding two squares with right sides together, single crochet through both layers.
2. **Whip Stitch:** Using a tapestry needle and yarn, sew the edges together on the wrong side.
3. **Crocheted Seam:** Holding two squares with right sides together, single crochet or slip stitch through corresponding stitches on each square.

Troubleshooting Common Granny Square Issues

Even experienced crocheters encounter occasional bumps in the road. Here are a few common issues and how to fix them:

My Square Isn't Laying Flat (Cupping or Ruffling)

1. **Cupping:** This often means you don't have enough stitches. Double-check your counts, especially in the corners and sides.
2. **Ruffling:** This usually indicates too many stitches. Again, carefully count your stitches and ensure you're working into the correct spaces. Using a slightly larger hook can also sometimes help if your tension is very tight.

My Corners Aren't Sharp

The chain-3 space is crucial for sharp corners. Make sure you're consistently chaining 3 within each corner. If your corners are looking rounded, you might be accidentally working extra stitches into the corner space or not chaining enough.

I Ran Out of Yarn Mid-Round

Don't panic! You can join a new ball of yarn by simply tying it onto the old yarn and continuing. It's best to do this at the beginning of a round or when you're about to make a new color change to hide the join.

Beyond the Basic: Variations on the Granny Square

Once you've mastered the classic, there are countless ways to put your own spin on the granny square. Consider these variations:

Solid Granny Squares

Instead of the traditional (3 dc, ch 3, 3 dc) corner, you can make a solid corner by working (3 dc, ch 1, 3 dc) or even just (3 dc) into the corner space, depending on the pattern. This creates a more solid-looking fabric.

Granny Stripe

This is essentially a granny square worked in rows, creating a striped effect rather than a circular or square motif. It's a great way to make scarves and blankets.

Half Granny Squares

These are perfect for filling in edges or creating more complex designs when you don't need a full square.

Lace Granny Squares

By incorporating more chain stitches and skipping stitches, you can create open, lacy versions of the granny

square.

Understanding the Anatomy of a Granny Square

Before we begin, let's familiarize ourselves with the fundamental components of a granny square. This understanding will make the process much clearer and more enjoyable.

The Building Blocks: Stitches and Terminology

The granny square primarily relies on a few core crochet stitches. We’ll be using US crochet terminology throughout this guide. If you're accustomed to UK terms, remember that a double crochet (dc) in US terms is equivalent to a treble crochet (tr) in UK terms.

1. **Chain (ch):: The foundation of most crochet projects. It’s a series of interlocking loops.**
2. **Slip Stitch (sl st):** Used to join stitches or move yarn without creating height.
3. **Double Crochet (dc):** The primary stitch for creating the "clusters" that define a granny square. It's a taller

stitch than a single crochet.
4. **Space (sp):** Refers to the gaps created by chain stitches, which is where you'll work your subsequent stitches.

Yarn and Hook Considerations

The beauty of the granny square lies in its adaptability. You can use almost any yarn weight and color combination you desire. However, for beginners, we recommend:

1. **Worsted weight yarn:** This is a medium-weight yarn that is easy to handle and works up relatively quickly, providing satisfying progress.
2. **Cotton or Acrylic yarn:** These are durable, affordable, and come in a vast array of colors. Acrylic is particularly forgiving for beginners.
3. **Appropriate hook size:** Check the yarn label for a recommended hook size. A size H-8 (5mm) or I-9 (5.5mm) hook is a good starting point for worsted weight yarn. The hook should feel comfortable in your hand and allow the yarn to glide smoothly.

Getting Started: Your First Granny Square

Let’s get our hands on the yarn and hook! This section will guide you through creating a small, classic granny square.

Don’t worry if your first few attempts aren’t perfect – practice makes perfect!

Step 1: The Magic Ring (or Chain 4)

There are two common ways to start a granny square: the magic ring or a simple chain. The magic ring creates a tighter center, while the chain method is often easier for absolute beginners.

Option A: The Magic Ring (for a Tighter Center)

1. Create a loop with your yarn, leaving a tail of about 6 inches.
2. Insert your crochet hook into the loop from front to back.
3. Yarn over (yo) your hook and pull a loop through the magic ring.
4. Chain 1 to secure the loop.
5. You now have a magic ring to work your first round into.

Option B: The Chain 4 Method (Beginner-Friendly)

1. Make a slip knot on your crochet hook.
2. Chain 4 stitches.
3. Insert your hook into the very first chain stitch you made.
4. Yarn over and pull through both loops on your hook to create a slip stitch, forming a small ring.

Step 2: Round 1 – Creating the First Clusters

This round establishes the foundation of your square. We'll be working our first "clusters" of double crochets into the ring you created.

1. **If using the magic ring:** Chain 3 (this counts as your first double crochet) and then work 2 double crochets into the magic ring. You have now created your first "cluster."
2. **If using the chain 4 method:** Chain 3 (counts as your first dc) and work 2 double crochets into the ring you formed.
3. Chain 2. This chain-2 space will be a corner.
4. Work 3 double crochets into the ring. This is your second cluster.
5. Chain 2 (your second corner space).
6. Work 3 double crochets into the ring (your third cluster).
7. Chain 2 (your third corner space).
8. Work 3 double crochets into the ring (your fourth cluster).
9. Chain 2 (your fourth corner space).
10. **If using the magic ring:** Gently pull the yarn tail to close the center hole as much as possible.
11. Join your round by making a slip stitch into the top of the beginning chain-3.

You should now have a small, almost circular shape with four groups of 3 double crochets, separated by chain-2 spaces.

Step 3: Round 2 – Building the Square Shape

In this round, we start to form the distinct corners of the granny square by working into the chain spaces from the previous round.

1. Chain 3 (counts as your first dc).
2. Work 2 double crochets into the *same space* as your beginning chain-3 (this is the first corner space from Round 1).
3. Chain 2.
4. Work 3 double crochets into the *same space*. This completes your first corner. You've essentially worked (3 dc, ch 2, 3 dc) into the corner space.
5. Skip over the next cluster of 3 dc from Round 1.
6. You will now work into the next chain-2 corner space. Work (3 dc, ch 2, 3 dc) into this corner space.
7. Skip over the next cluster of 3 dc.
8. Repeat steps 5 and 6 for the remaining two corner spaces.
9. After completing the fourth corner, join your round with a slip stitch into the top of the beginning chain-3.

You should now see the beginnings of a square shape,

with each corner having two "shells" (clusters of 3 dc) separated by a chain-2 space. The sides of the square are formed by the spaces between these shells.

Step 4: Round 3 and Beyond – Expanding Your Square

The beauty of the granny square is that you repeat the same basic sequence to make it larger. Subsequent rounds involve working into both the corner spaces and the spaces along the "sides" of the square.

1. Chain 3 (counts as your first dc).
2. Work 2 double crochets into the *same space* as your beginning chain-3 (the corner space).
3. Chain 1. This is a side space chain.
4. Work 3 double crochets into the *same space*. This completes the first half of the corner.
5. Now, you'll work into the next chain-2 corner space. Work (3 dc, ch 2, 3 dc) into this corner space.
6. Chain 1.
7. Repeat steps 5 and 6 for the remaining two corner spaces.
8. After working the fourth corner, join your round with a slip stitch into the top of the beginning chain-3.

Notice the addition of the chain-1 spaces along the sides. These are where your clusters will be worked in future rounds.

Continuing to Grow Your Square:

To make your granny square larger, you simply repeat the process for Round 3:

1. Chain 3 (counts as first dc).
2. Work 2 dc into the first corner space.
3. Chain 1.
4. Work 3 dc into the *next* chain-1 space along the side.
5. Chain 1.
6. Work 3 dc into the *next* chain-1 space along the side. (You'll have more of these side spaces as the square grows).
7. Chain 1.
8. Work (3 dc, ch 2, 3 dc) into the next corner space.
9. Chain 1.
10. Continue working 3 dc, ch 1 in each side space, and (3 dc, ch 2, 3 dc) in each corner space until you reach the end of the round.
11. Join with a slip stitch to the top of the beginning chain-3.

Each round will add more clusters to the sides of your square, maintaining its characteristic geometric pattern.

Finishing and Weaving in Ends

Once your granny square reaches your desired size, it's time to finish off and tidy up.

Fastening Off

1. After completing your last round and joining with a slip stitch, cut your yarn, leaving a tail of about 6 inches.
2. Pull the yarn tail completely through the loop on your hook.
3. Pull the tail gently to secure the knot.

Weaving in Ends

This is a crucial step for a neat and durable finish. You'll have a yarn tail from your starting point and a tail from your finishing point.

1. Thread one of your yarn tails onto a yarn needle (a blunt needle with a large eye, specifically designed for yarn).
2. Weave the needle back and forth through the stitches on the wrong side of your work. Try to go through the "legs" of the double crochet stitches.
3. Weave in multiple directions for extra security.
4. Trim any excess yarn close to the fabric.
5. Repeat for the other yarn tail.

Tips for Success and Variations

As you become more comfortable with the basic granny square, you can explore different techniques and aesthetics.

Color Changes

The granny square is a perfect canvas for playing with colors. To change colors:

1. Work your last stitch of the old color up to the last yarn over.
2. Drop the old color.
3. Pick up the new color and yarn over with it, completing the stitch.
4. Continue crocheting with the new color, weaving in the ends of both colors as you go.

You can change colors every round, every few rounds, or randomly for a unique look. Consider using variegated yarns for an effortless multi-colored effect.

Different Stitches

While the classic granny square uses double crochet, you can experiment:

1. **Half Double Crochet (hdc) Granny Square:** Creates a denser, smaller square.
2. **Treble Crochet (tr) Granny Square:** Creates a larger, more lacy square.
3. **Combination Stitches:** Incorporate single crochets or other stitches for added texture.

Edging the Granny Square

Once your square is complete, you might want to add an edging for a more polished look. Common edgings include:

1. A round of single crochet.
2. A round of half double crochet.
3. A decorative stitch like the crab stitch (reverse single crochet).

Troubleshooting Common Issues

Even experienced crocheters encounter occasional snags. Here are some common granny square problems and how to fix them:

My square is not lying flat (cupping or rippling):

This often happens if your tension is too tight, or if you've accidentally skipped a chain space or worked too many stitches in a corner. Gently block your finished square (wetting it and pinning it to shape) to help it relax. For future squares, try to relax your tension, especially in the corner chain spaces.

My corners are not sharp:

Ensure you are working the correct number of stitches and chains in your corners. The classic "3 dc, ch 2, 3 dc" in

each corner is crucial for maintaining the square shape. Also, make sure you’re skipping over the correct stitch groups between corners.

I ran out of yarn mid-round:

Don't panic! You can join a new ball of yarn mid-round. Follow the color change instructions above, leaving sufficient tails to weave in securely.

Projects to Inspire Your Granny Square Creations

Questions & Answers About learn how to crochet a granny square

No	Question	Answer

1	I'm a total beginner, what's the easiest way to learn how to crochet a granny square?	Start with a large hook and worsted weight yarn in a light color. Focus on mastering the chain stitch, slip stitch, and double crochet (dc). There are tons of beginner-friendly video tutorials online that visually guide you through each round, making it super easy to follow along.
2	What are the essential stitches I need to know for a basic granny square?	The core stitches are the chain stitch (ch), slip stitch (sl st), and the double crochet (dc). A basic granny square is essentially made by crocheting clusters of 3 double crochets, separated by chain stitches, worked in the corners.
3	How do I make the corners of my granny square look neat and not too bulky?	The key to neat corners is the chain stitches. Typically, you'll chain 2 or 3 stitches in each corner space to create a defined corner. This gives your square its characteristic shape and prevents the fabric from bunching up.
4	My granny square looks a bit lopsided. What could be going wrong?	Often, a lopsided granny square is due to inconsistent tension or uneven stitch counts. Make sure you're holding your yarn and hook consistently, and that you're working the correct number of stitches into each corner and side space. Watching a video tutorial can help you spot where your technique might be differing.

5	Can I make a granny square in different sizes, and how do I do that?	Absolutely! To make a larger granny square, you simply continue adding rounds. Each round increases the size by creating more corner spaces and side spaces where you work your clusters of double crochets.
