A Hymn Born of Hardship: The Story Behind "Come, Come, Ye Saints"

To truly appreciate the profound impact of "Come, Come, Ye Saints" when performed by the Mormon Tabernacle Choir, we must first understand its origins. This wasn't a hymn composed in a time of peace and prosperity. It was written in 1844 by William Clayton, a British immigrant who had joined the Church of Jesus Christ of Latter-day Saints and

followed its members west. At the time, Latter-day Saints were facing relentless persecution in Nauvoo, Illinois, a period marked by violence, ostracization, and the tragic martyrdom of their prophet, Joseph Smith.

Clayton, who served as secretary to Brigham Young, the new leader of the Church, witnessed firsthand the immense suffering and the arduous preparations for the westward trek. He was tasked with recording the group's expenses and needs as they prepared to leave their homes and embark on a perilous journey into the unknown wilderness of the Rocky Mountains. It was during this time of immense physical and emotional strain that the words of "Come, Come, Ye Saints" began to form.

The hymn’s lyrics are a powerful testament to resilience. They acknowledge the difficulties – "persecution," "trials," "troubles" – but immediately pivot to a message of unwavering hope and divine reassurance. Phrases like "all is well" and "the Lord has commanded you to remove" speak to a deep-seated faith in God’s plan, even amidst overwhelming adversity. The imagery of "shadows," "storms," and "winter's chill" paints a vivid picture of their challenging circumstances, while the promise of " Canaan's fair shore" offers a beacon of future

redemption and a promised land.

The melody, often attributed to an existing English folk tune, adds to the hymn's enduring appeal. It's simple, yet majestic, easy to sing, and possesses a certain gravitas that perfectly complements the lyrical content. It’s a tune that can be sung in a whisper of personal comfort or in a resounding chorus of collective strength.

to be readily embraced and sung by the migrating Saints. The tune itself possesses a natural cadence that evokes a sense of steady progress, of moving forward despite obstacles.
