Gather Your Sock Puppet Supplies: The Essential Toolkit

Before we start cutting and gluing, let’s make sure you have everything you need. The beauty of sock puppet making is its simplicity; you likely have most of these items around the house!

The Star of the Show: Socks!

This might seem obvious, but the sock you choose plays a big role in your puppet's appearance and size.

1. **Size Matters:** For adult hands, adult-sized socks (knee-high or crew socks) work best. For children’s hands, child-sized socks or even adult ankle socks can be a good fit.
2. **Material:** Cotton socks are generally easy to work with. Fuzzy or novelty socks can add interesting texture and character, but might be a bit trickier to sew or glue onto.
3. **Color and Pattern:** A plain sock is a blank canvas, perfect for adding all sorts of features. Patterned socks can immediately suggest a character's theme or personality – think stripes for a tiger or a spotted sock for a Dalmatian.
4. **Condition:** While you can use brand new socks, old, clean, hole-free socks are perfect for giving a second life.

Adhesives: The Glue That Holds It All Together

You’ll need something to attach your decorative elements.

1. **Fabric Glue:** This is your best friend for a durable, no-sew finish. Look for a flexible fabric glue that won't make your puppet stiff.
2. **Hot Glue Gun:** For a quick and strong bond, a hot glue gun is excellent, especially for attaching larger or more rigid items. Be cautious with hot glue, especially if children are involved.
3. **Sewing:** If you’re comfortable with a needle and thread, sewing offers the most durable and professional-

looking finish. Embroidery floss is great for adding details like mouths and eyes.

Decorative Delights: Bringing Your Puppet to Life

This is where the magic happens! Think about what features your puppet needs:

1. **Eyes:**
    1. **Googly Eyes:** The classic choice! Available in all sizes, they add instant personality and movement.
    2. **Buttons:** Different sizes and colors of buttons can create expressive eyes.
    3. **Felt or Fabric Scraps:** Cut out circles or ovals for simple, flat eyes.
    4. **Pom-Poms:** Small pom-poms can make for cute, round eyes.
2. **Mouths:**
    1. **Felt or Fabric Scraps:** Cut out a U-shape or a curved line for a mouth. You can even layer colors.
    2. **Embroidery Floss:** Stitch a mouth directly onto the sock.
    3. **Pipe Cleaners:** Bend and shape pipe cleaners for a unique, flexible mouth.
3. **Hair:**
    1. **Yarn:** Cut strands of yarn and glue or sew them on for hair.
    2. **Felt:** Cut strips or shapes for hair.
    3. **Old T-shirt Scraps:** Rip and fray fabric for a wild look.
4. **Noses:**
    1. **Pom-Poms:** A single pom-pom works great.
    2. **Buttons:** A larger button can be a nose.
    3. **Felt or Fabric Scraps:** Cut out a shape.
    4. **Pipe Cleaners:** Twisted pipe cleaners can make interesting noses.
5. **Ears and Other Features:**
    1. **Felt or Fabric Scraps:** Cut out ears, tongues, or even little hats.
    2. **Foam Sheets:** Lightweight and easy to cut.
    3. **Craft Felt:** Available in a huge range of colors.

Tools: The Helpers

1. **Scissors:** For cutting fabric, felt, yarn, etc.
2. **Pencil or Fabric Marker:** For marking where to cut or glue.
3. **Optional: Needle and Thread:** If you're sewing.
4. **Optional: Cardboard or Stiff Paper:** To help stiffen a mouth if you want it to stand out.

How to Make a Sock Puppet: Step-by-Step Guide

Let's get down to business! Making a basic sock puppet is a straightforward process. We'll cover the most common method, which involves creating a mouth opening.

Step 1: Prepare Your Sock

Start with a clean, dry sock. Turn it inside out. This is important because it will hide your seams if you're sewing, or ensure a neater finish if you're gluing.

Step 2: Create the Mouth Opening

This is the most crucial step for a functional sock puppet.

1. **Marking:** Decide where you want the mouth to be. For most puppets, it’s along the sole of the foot part of the sock, extending a bit up towards the heel. Use a pencil or fabric marker to draw a line. This line will be the bottom edge of your puppet’s mouth.
2. **Cutting (No-Sew Method):** If you're not sewing, you'll want to cut a slit along the line you just drew. Make this slit about 1 to 1.5 inches long, depending on the size of your sock and hand. Be careful not to cut too much initially; you can always enlarge it.
3. **Cutting (Sewing Method):** If you're sewing, you'll also cut a slit here. This slit will allow you to turn the sock right-side out and create a pliable mouth.
4. **Reinforcing the Mouth:** To prevent the sock from tearing with use, you can reinforce the opening.
    1. **Sewing:** Once the sock is turned right-side out, you can stitch around the cut edges of the mouth with a strong thread (like embroidery floss). A simple running stitch or a whipstitch will work. You can even create a visible stitched mouth by using a contrasting color.
    2. **Fabric Glue:** If you're not sewing, you can carefully apply a thin line of fabric glue along the edges of the slit to seal them and prevent fraying. Let this dry completely.

Step 3: Turn Right-Side Out and Shape the Head

Turn your sock right-side out. The heel of the sock will naturally form the puppet’s head. The opening you cut is where your hand will go, and the top of the sock will be the puppet’s neck and body.

Step 4: Add the Eyes

Now for the fun part – giving your puppet a face!

1. **Placement:** Decide where you want the eyes. They can be close together or far apart, high on the forehead or lower down.
2. **Attachment:**
    1. **Googly Eyes:** Apply fabric glue or hot glue to the back of the googly eyes and press them firmly onto the sock.
    2. **Buttons:** Sew buttons securely onto the sock. You can even stitch a contrasting circle of felt underneath each button for a more defined eye.
    3. **Felt Circles:** Cut out circles of felt and glue them on. For a more 3D effect, you can glue a smaller white felt circle on top of a larger black felt circle.

Step 5: Create and Attach the Mouth

This is where your puppet's expression really comes to life!

1. **Felt Mouth:** Cut a U-shape or a curved line from felt. You can make it a simple open mouth or add a tongue by cutting a long, thin strip of red felt and gluing it inside the mouth shape. Glue this onto the sock, just below the eye line.
2. **Stitched Mouth:** If you didn’t already stitch a mouth for reinforcement, you can now embroider a mouth using contrasting embroidery floss.
3. **Pipe Cleaner Mouth:** Bend a pipe cleaner into a mouth shape and glue or stitch it on.
4. **Flexibility:** For a mouth that moves well, ensure the material you use is flexible. If you want a more rigid

mouth that protrudes, you can glue your felt mouth onto a small piece of stiff cardboard or craft foam before attaching it to the sock.

Step 6: Add Hair and Other Features

This is where you can really let your creativity shine!

1. **Hair:** Cut strands of yarn, fray some fabric scraps, or cut strips of felt and glue or sew them onto the top or sides of the puppet's head.
2. **Nose:** Glue or sew on a pom-pom, button, or felt shape for a nose.
3. **Ears:** Cut out ear shapes from felt or fabric and attach them.
4. **Tongue:** If you haven't already, cut a long, thin strip of red felt for a tongue and glue it inside the mouth.
5. **Accessories:** Get creative! You can add little fabric hats, scarves, or even a painted-on shirt collar.

Step 7: Final Touches and Testing

Once all your glue is dry and your stitches are secure, give your puppet a gentle test run. Slip your hand inside and practice making it talk and move. You might find you want to adjust the mouth opening slightly or reinforce a loose part. That's all part of the process!

Beyond the Basics: Advanced Sock Puppet Techniques

Once you've mastered the basic sock puppet, you might want to explore more advanced techniques to create even more detailed and dynamic characters.

The Art of the Movable Mouth

While our basic method creates a functional mouth, you can enhance its movement:

1. **Deeper Slits and Reinforcement:** A longer, well-reinforced slit allows for more jaw articulation.
2. **Inner Mouth Liner:** Adding a contrasting color felt liner inside the mouth can make the opening more defined and visually interesting.
3. **Tongue Attachment:** Attaching the tongue further back inside the mouth with a flexible glue or stitch will make it appear to move more naturally when the puppet speaks.

Adding Dimension with Stuffing

For a fuller, more rounded puppet, you can add stuffing:

1. **Materials:** Polyester fiberfill (stuffing for pillows and toys) is the easiest and most common. Cotton balls can also work in a pinch.
2. **When to Stuff:** Stuffing is usually added after the main features (eyes, mouth) are in place, but before the final closing of the puppet if it's a two-piece design. For a single sock puppet, you can stuff it through the opening where your hand goes.
3. **How to Stuff:** Gently push the stuffing into the head and body of the puppet until you achieve the desired fullness. Don't overstuff, as it can make the puppet stiff and hard to manipulate.

Creating Two-Part Puppets

For more complex characters, you might consider a two-part puppet, often made from two socks or a sock and a fabric base. This allows for more defined arms and a larger body.

Customizing for Specific Characters

Think about the character you want to create:

1. **Animals:** Think ears (floppy or pointed), tails, snouts, and different fur textures (using fuzzy socks or yarn).
2. **Monsters:** Go wild with extra eyes, spiky hair, teeth made from felt or craft foam, and unusual colors.
3. **People:** Add fabric for clothes, hair made from yarn or felt strips, and detailed facial features.

Tips for Sock Puppet Success

Here are a few extra pointers to make your sock puppet creation journey even smoother:

1. **Safety First:** If children are involved in the crafting process, always supervise them when using scissors or a hot glue gun.
2. **Less is Often More:** Don’t feel you need to add every single feature. Sometimes, a few well-placed elements are more effective.
3. **Experiment with Materials:** Don't be afraid to try different textures and materials. That old t-shirt you were going to throw away could make fantastic puppet hair!
4. **Consider the "Voice":** As you create, think about the personality and voice of your puppet. This can guide your design choices. A gruff character might have a wide, gaping mouth, while a shy character might have smaller, more subtle features.
5. **Have Fun!** This is the most important tip of all. The process of making a sock puppet should be enjoyable. Don't strive for perfection; embrace the charm of handmade.

Creating a puppet sock is a charming and creative craft that brings handmade charm to puppetry, transforming simple socks into expressive, customizable characters. Unlike off-the-shelf puppet costumes, making a sock from scratch allows artists and hobbyists to infuse personal style, precision, and storytelling into every stitch. This tactile art form not only enhances the visual appeal of handmade puppets but also deepens the connection between creator and creation.

Understanding the Art of Puppet Sock Crafting

At its core, making a puppet sock involves repurposing a sock—often a worn or old pair—into a functional, wearable performance piece. The process begins with selecting the right sock: a clean, durable fabric with a good stretch and comfort is essential. Materials like cotton, wool, or synthetic blends work well, depending on the desired texture and durability. Once chosen, the sock is carefully modified—sometimes trimmed, reshaped, or

layered—to support articulation and movement. The true craft lies in adapting the sock's structure to mimic facial features, limbs, or entire character silhouettes through strategic seams, appliqué, or hand-painted details. This transformation turns a utilitarian garment into a dynamic storytelling tool.

Key Insights for Successful Puppet Sock Creation

Successful puppet sock making hinges on a balance of design and practicality. First, understanding the puppet's role shapes every decision—whether the sock is meant for a storybook character, a stage performer, or a child's imaginative play. Attention to fit and mobility ensures the puppet moves naturally, maintaining expressiveness during performance. Equally important is texture and color selection: vibrant hues and tactile embellishments like felt eyes or fabric embroidery breathe life into the puppet, making it instantly engaging. Mastering basic sewing techniques such as hand-stitching or machine appliqué allows creators to add intricate details without compromising the sock's integrity. With patience and creative vision, each puppet sock becomes a unique work of art.

Diverse Applications and Creative Benefits

Puppet socks find purpose across multiple creative fields. In theater and performance, they bring puppets to life with expressive precision, enabling nuanced storytelling through movement and appearance. For educators and child therapists, handmade sock puppets serve as interactive tools to spark imagination, support emotional expression, and facilitate communication. DIY crafters and textile artists enjoy the meditative, hands-on nature of the craft, turning everyday materials into personalized artistic expressions. Beyond entertainment, these creations foster connection—whether shared in classrooms, at craft fairs, or within family storytelling sessions. The act of making a puppet sock nurtures creativity, fine motor skills, and a sense of accomplishment.

The Future of Puppet Sock Crafting

As interest in handmade and sustainable crafts continues to grow, puppet sock making is poised for a vibrant resurgence. Innovations in eco-friendly textiles and digital design tools are expanding creative possibilities, enabling creators to experiment with patterns, textures, and modular components. Online communities and social platforms are nurturing a global network of puppet makers, sharing techniques and inspiring new generations. Educational programs and workshops increasingly incorporate puppet sock workshops, recognizing their value in fostering creativity and emotional literacy. Looking ahead, this tactile art form will remain a beloved medium for storytelling, personal expression, and connection—bridging tradition and innovation in craftsmanship. Creating a puppet sock is more than a DIY project; it is an invitation to blend art, narrative, and hands-on skill into a wearable masterpiece. Each stitch contributes to a living character, ready to entertain, educate, and inspire.

Unleash Your Inner Puppeteer: A Comprehensive Guide to Making a Sock Puppet

The magic of puppetry has captivated audiences for centuries, bringing stories to life with a flicker of imagination and a bit of fabric. At its heart, one of the simplest and most accessible forms of this art is the sock puppet. Far from being just a child's plaything, a well-crafted sock puppet can be a powerful tool for storytelling, education, and even therapeutic expression. Whether you're looking to entertain youngsters, develop a unique performance character, or simply engage in a fun and creative DIY project, learning how to make a puppet sock is a rewarding endeavor. This detailed guide will walk you through every step, from selecting the perfect sock to adding those

crucial finishing touches that will give your puppet personality.

Why Make a Sock Puppet? The Enduring Appeal of DIY Dolls

Before we dive into the "how," let's explore the "why." The appeal of making your own sock puppet is multifaceted. For children, it's an opportunity to engage their creativity, develop fine motor skills, and imbue their creation with a personality they control. They become the architects of their own imaginary worlds, with their sock puppet as the protagonist. For adults, it can be a nostalgic return to childhood, a mindful creative outlet, or a practical way to create engaging educational materials. Imagine a teacher using a custom-made sock puppet to explain complex concepts or a therapist using one to help a child process emotions. The affordability and simplicity of sock puppetry make it an accessible art form for everyone. Plus, the sheer joy of seeing your creation come to "life" is unparalleled.

Choosing Your Canvas: Selecting the Ideal Sock

The foundation of any great sock puppet is, of course, the sock itself. While almost any sock can be transformed, some choices will lead to better results. Consider these factors:

Material Matters: Comfort and Durability

Cotton and cotton blends are generally preferred for their breathability and ease of sewing. They offer a good balance of softness and structure. Wool socks can be lovely and warm but can be trickier to work with, especially for beginners. Avoid overly thin or sheer socks, as they might not hold their shape well or provide enough surface area for embellishments. Sturdier socks will ensure your puppet withstands enthusiastic play.

Size and Shape: The Body of Your Puppet

Standard adult-sized crew socks or ankle socks are excellent starting points. They provide ample room for your hand to maneuver and create distinct mouth movements. Shorter socks can be used for smaller characters or for parts of a larger puppet. The ribbed cuff of a typical sock naturally lends itself to forming the neck and head of your puppet, creating a convenient opening for your hand.

Color and Pattern: Setting the Stage for Personality

Solid colors offer a blank canvas for you to build upon with fabric paint, yarn, or other decorative elements. Striped or patterned socks can instantly add visual interest and even suggest certain character traits. Think about the personality you want your puppet to embody. A brightly colored sock might suit a cheerful jester, while a darker, patterned sock could be perfect for a mysterious creature.

Condition of the Sock: Give it a Second Life

Don't shy away from using socks with minor imperfections, small holes (which can be cleverly incorporated into the design!), or those destined for the rag bin. Sock puppetry is a fantastic way to upcycle and reduce waste. Just ensure the sock is clean and free of any major damage that would compromise its structure.

The Essential Toolkit: What You'll Need

Gathering your supplies before you begin will streamline the process and ensure you have everything you need to bring your sock puppet vision to life. Here's a list of common materials:

1. **The Sock(s):** Your chosen canvas.

2. **Scissors:** Sharp fabric scissors are ideal for clean cuts.
3. **Needle and Thread:** Matching or contrasting thread for sewing.
4. **Fabric Glue:** A strong, flexible fabric glue for attaching non-sewn elements.
5. **Buttons or Googly Eyes:** For eyes.
6. **Yarn:** For hair, manes, or decorative details.
7. **Felt or Scrap Fabric:** For mouths, ears, noses, and other features.
8. **Fabric Markers or Paint:** For adding details and color.
9. **Stuffing (Optional):** Polyester fiberfill or cotton balls for adding volume to the head or body.
10. **Cardboard or Craft Foam (Optional):** For creating a more structured mouth or adding internal support.

Step-by-Step Construction: Bringing Your Sock Puppet to Life

Now, let's get hands-on! Follow these steps to create your very own sock puppet.

Step 1: Preparing Your Sock

Start by turning your sock inside out. This is crucial for sewing any structural elements. Ensure the sock is clean and dry. Lay it flat on your work surface.

Step 2: Defining the Mouth (The Heart of Expression)

The mouth is where your puppet will express itself. There are a few popular methods for creating a movable mouth:

Method A: The Cut and Sew Mouth

This is the most common and effective method for a classic sock puppet mouth.

1. With the sock inside out, decide where you want the mouth line to be. Typically, this runs across the sole of the sock, from the toe area up towards the heel.
2. Carefully cut a slit through one layer of the sock fabric. The length of the slit will determine the width of your puppet's mouth opening. Aim for about 3-5 inches for a standard sock.
3. Turn the sock right side out. You should now have a slit.
4. To prevent fraying and create a clean edge, you can either:
    1. **Sew a Hem:** Fold the raw edges of the slit inwards and stitch them down to create a neat hem.
    2. **Use Fabric Glue:** Apply a thin line of fabric glue along the raw edges and press them together. Let it dry completely.
5. Now, when you put your hand inside, your index finger will go into the "mouth" part of the sock (the part with the slit), and your thumb will go into the heel of the sock. As you move your index finger up and down, the mouth will open and close.

Method B: The No-Cut Mouth (for simpler puppets)

For very young children or simpler designs, you can forgo cutting. In this case, the entire toe of the sock acts as the "mouth." Your fingers will simply enter the sock, and the natural movement of your hand will create the illusion of speaking.

Step 3: Adding the Eyes – The Windows to the Soul

Eyes are vital for bringing your puppet's personality to the forefront. You have several options:

1. **Buttons:** Large, colorful buttons are a classic choice. Sew them securely onto the sock where you envision the eyes.
2. **Googly Eyes:** These are readily available and add an instant touch of whimsy. Use strong fabric glue to attach them.
3. **Felt Circles:** Cut out circles of felt in your desired eye color. You can sew or glue these on. For added detail, add smaller black felt circles for pupils.
4. **Fabric Paint or Markers:** Draw eyes directly onto the sock. This is a good option for solid-colored socks and offers great flexibility.

Placement is Key: Experiment with eye placement. Close-set eyes can make a puppet look shy or curious, while wide-set eyes might suggest surprise or a gentle nature. Ensure the eyes are positioned so they don't impede the movement of the mouth.

Step 4: Crafting a Nose (Optional but Recommended)

A nose can significantly contribute to your puppet's character.

1. **Felt Ball:** A simple felt ball glued or sewn in place.
2. **Fabric Scraps:** Cut out a shape (circle, triangle, oval) from felt or fabric and attach it.
3. **Pom-Pom:** A small, fluffy pom-pom adds a playful touch.
4. **Yarn Bunch:** A small bundle of yarn secured and glued.

Step 5: Giving Your Puppet Hair (Adding Dimension and Style)

Hair is a fantastic way to give your puppet individuality.

1. **Yarn:** Cut lengths of yarn and either sew or glue them along the top of the head. You can tie them in bunches for pigtails or leave them long for a flowing mane.
2. **Felt Strips:** Cut thin strips of felt for a more structured hairstyle.
3. **Crocheted or Knitted Pieces:** If you have crafting skills, pre-made hair elements can be attached.

Step 6: Ears, Tongues, and Other Whimsical Features

This is where your creativity can truly shine!

1. **Ears:** Cut ear shapes from felt or fabric and sew or glue them to the sides of the head.
2. **Tongue:** Cut a long, red strip of felt. You can attach one end inside the mouth opening so it peeks out when the mouth opens.
3. **Cheeks:** Small circles of pink or red felt can add a rosy glow.
4. **Mouth Details:** Use fabric markers to draw teeth or a smile inside the mouth opening.

Step 7: Stuffing (For a Fuller Figure)

If you want your puppet to have a more rounded head or a fuller body, you can add stuffing.

1. Gently push polyester fiberfill or cotton balls into the toe of the sock (the head area) before you close it up.

2. Don't overstuff, as it can make the puppet rigid and difficult to manipulate.

Advanced Techniques and Customization

Once you've mastered the basic sock puppet, you can explore more advanced techniques to create truly unique characters. This includes things like adding limbs, creating different mouth mechanisms, or even making multi-sock puppets for more complex characters.

Adding Limbs: Arms and Legs

For simple arms, you can cut off the foot of a second sock, stuff it, and sew it onto the sides of your main puppet. For more articulated limbs, consider using craft foam or cardboard as an armature, covered with fabric or felt.

Creating a Structured Mouth

For a puppet with a more defined and stable mouth, you can insert a piece of stiff felt or thin cardboard inside the sock's mouth area. This can be glued or sewn in place, providing a consistent shape for the mouth opening.

Painting and Detailing

Fabric markers and fabric paints are your best friends for adding intricate details like freckles, eyebrows, patterns, or even shading to give your puppet depth. Experiment with layering colors for a more sophisticated look. Always use paints and markers specifically designed for fabric to ensure they adhere well and are washable.

Caring for Your Sock Puppet Companion

To ensure your sock puppet has a long and fulfilling life, proper care is essential. Most sock puppets can be gently hand-washed in cool water with mild soap. Avoid harsh detergents or machine washing, as this can damage embellishments and alter the sock's shape. Allow your puppet to air dry completely. For minor spills or dust, a gentle brushing with a soft brush can often do the trick.

Beyond the Basics: Sock Puppets for Every Occasion

The versatility of sock puppets extends far beyond simple play.

1. **Educational Tools:** Engaging children in learning by making history come alive or explaining science concepts.
2. **Therapeutic Aids:** Helping individuals, particularly children, express emotions and work through challenges in a safe and creative space.
3. **Storytelling and Performance:** Developing characters for amateur theater, online content, or just for family entertainment.
4. **Holiday Decorations:** Crafting festive sock puppets for special occasions.

In conclusion, the art of making a puppet sock is an accessible, enjoyable, and incredibly rewarding craft. Questions & Answers About how to make a puppet sock

No	Question	Answer
1	What's the easiest way to make a sock puppet without sewing?	You can create a no-sew sock puppet using fabric glue or strong craft glue. Simply cut out shapes for eyes, nose, mouth, and hair from felt or other fabric scraps, and then glue them onto the sock. For a mouth, you can cut a slit in the sock and glue a piece of felt on the inside to form the lower lip.
2	What kind of socks work best for making puppets?	Any clean, old sock will do! Crew socks or tube socks are ideal because they have a good amount of space to work with. Avoid socks with very thin soles or holes, and consider the color and texture of the sock as part of your puppet's design.
3	How do I give my sock puppet a mouth that moves?	For a simple moving mouth, cut a horizontal slit across the toe area of the sock. Then, insert another piece of felt or fabric inside the sock, below the slit, to create a lower lip. When you put your hand inside and move your fingers, the slit will open and close like a mouth.
4	What materials can I use for puppet hair and accessories?	Yarn is fantastic for hair! You can glue strands on for a fuzzy look or braid them. Other great materials include felt for ears, buttons for eyes, pom-poms for noses, pipe cleaners for antennae or arms, and even scraps of fabric for clothing.
5	How can I make my sock puppet look like a specific character?	Think about the character's key features. Does it have big ears? Add felt ear shapes. Is it known for crazy hair? Use lots of yarn! Study pictures of the character and try to replicate its most distinctive elements using your craft materials.
6	Is it safe for kids to make sock puppets?	Yes, making sock puppets can be a very safe and fun activity for kids! Adult supervision is recommended, especially when using scissors or fabric glue. Ensure all materials are non-toxic and age-appropriate.
7	Where can I find inspiration for sock puppet designs?	Inspiration is everywhere! Look at animals, cartoon characters, storybook figures, or even everyday objects. Pinterest, YouTube tutorials, and children's books are excellent resources for fresh and creative sock puppet ideas.
8	What's a quick and easy way to add eyes to a sock puppet?	The simplest way is to use buttons. Sew or glue two buttons onto the sock where you want the eyes to be. Alternatively, cut circles from felt or cardstock and glue them on for a flat eye effect. Googly eyes are also a fun and easy option!
